MEDICINES IN SCHOOL;

Only medication prescribed by a qualified medical practitioner can lawfully be given to children by members of school staff. In order for this to happen you must complete a MED1 Form and personally hand in the medication to school office staff. Your child cannot do this. Non-prescription medication cannot be given to your child by school staff and under no circumstances should it be sent with your child for them to take themselves. Parents are welcome to come to school during the school day to administer non-prescription medication.

HOLY TRINITY P.T.A. CHRISTMAS MARKET

Tickets are on sale from the school office priced £1 for admission to the P.T.A. Christmas Market.

The market will take place in the school hall from 7.00 p.m. on Thursday 16th November. Entry will be through the school car park and rear hall doors.
