THE HOLY TRINITY NEWSLETTER Friday 10th Jan

## ARE YOUR CHILD'S PERSONAL DETAILS CORRECT?

If anything has changed regarding your child's personal or medical information recently please ensure that you have provided the school office with this.

In addition, it is very important that we are able to contact parents during the school day should the need arise. If you have changed your mobile telephone number or other contact details since you last provided them please give the school office the updated information.

## YEAR 5 AND YEAR 6 CHILDREN WHO BRING THEIR MOBILE TELEPHONE TO SCHOOL:

There are occasions when children in Year 5 and Year 6 need to telephone their parents after school to make various arrangements. In order to allow this to happen, children in Year 5 and Year 6 are able to bring a mobile telephone to school provided that the following conditions are met. Please note that during the school day any need to contact a parent will be done through the school telephone.

1. The mobile is turned off when your child enters the school grounds on arrival at school and not turned on again until the leave the school grounds at the end of the day. Under no circumstances should the mobile be used to take photos or to access and show online content etc. to other children on the school premises. This is a legal safeguarding regulation.

2. The mobile is handed into the school office for safe-keeping during the day. Children cannot keep their mobile phone on them or in their bag.

If a child breaches these conditions they will receive a warning, with any further breaking of the rules resulting in them not being allowed to bring their mobile to school.

Please remind your child about their responsibilities if they need to bring a mobile to school for use after school.

## DOES YOUR CHILD HAVE AN ASTHMA INHALER IN SCHOOL?

If your child has an asthma and needs the use of an inhaler, please check that the inhaler is in school, that there is medication in it and that it is still in date.
