During the session, you will have the opportunity to work alongside your child on some of the things that they are currently studying, or have previously learned about. Please do not to bring pre-school children to your child's Open Classroom event, if you can avoid it, as you will be working with your child.

Open Afternoons will end by 3.00 p.m. You will be able to take your child home with you when the session ends (plus any other children that you may have in the school), without having to wait until 3.15 p.m. Please note that you will only be able to take your own child / children with you.

If you wish to attend, please complete the form below and return it by Friday 27th January. This will allow your child's teacher to prepare enough resources for the number of adults attending.
